

# Re-Elect Hunt 2018

## County Commissioner #1

*Known Leadership – Proven Results*

Re-Elect Hunt 2018  
PO Box 14  
Toledo, Oregon 97391

Dear \_\_\_\_\_:

I am running for re-election to Lincoln County Commissioner Position 1. Today I am writing to ask for your help and support since I have 3 opponents in the May 15<sup>th</sup> election. Your contribution of \$50, \$100 - or a more generous amount - will help improve my ability to defeat my challengers.

Oregon tax code offers a \$50 tax credit to individuals and a \$100 tax credit to couples filing a joint income tax return for political contributions. This rule means you can get every dollar, up to \$100, back on your 2018 Oregon income tax return. Contributions to my campaign may be mailed to the above address.

I have made numerous changes, improvements and accomplished many objectives as your Lincoln County Commissioner, but there is more I want to achieve.

Among my major accomplishments are:

- Public Safety - Funding for additional patrol deputies
- Public Safety - Hired a domestic violence victims advocate
- Veterans' Services – Expanded and enhanced local services for veterans
- Mental Health - Improved expanded services through innovative programs and more staff
- Roads - \$18 million in funding for 6 highway projects throughout our county
- Jobs - Selection of Newport for a \$25 million marine energy research center
- Jobs - \$8 million invested in Port of Toledo boatyard generating over 50 jobs
- Fiscal Management – controlled spending and near doubling of county reserves
- Jobs - Governor Appointee to the Oregon Workforce Investment Board

My 15 years experience in public service as a county commissioner and on the county school board, my 39 years experience as a community banker/businessman (24 here in Lincoln county), my demonstrated leadership and my active involvement in all areas of our county make me uniquely qualified to improve our county services and to effectively represent the citizens of Lincoln County.

I genuinely appreciate your trust and support.

Best regards,

Doug Hunt
